

Security Procedure COVID-19

- a temperature measurement is made (without contact) before entering the property, the hotel employee is required to control guests in disposable gloves and a protective mask
- all guests, employees as well as suppliers are subjected to the same temperature control
- every hotel employee has a measured temperature every 4 hours while on duty
- only persons who have passed the security check may stay in the hotel
- lamps are activated daily in the hotel to disinfect surfaces and air with UV-C rays.
- we encourage guests to regularly wash their hands with soap in accordance with the instructions available in the hotel bathrooms
- we encourage guests to maintain safe distances in direct contacts
- hand sanitizing liquids are placed in the hotel bathrooms and general spaces, reception areas and restaurants
- on request, a package with basic protective measures (mask, gloves, visor) is available for purchase at the reception
 - only 1 guest may be at the reception desk
 - we have designated places for people waiting for reception service at distances of 2 meters
 - the reception serves guests in disposable gloves and visors
 - we disinfect the reception counter after each guest
 - there are liquids for hand disinfection at the reception desk - we encourage guests to disinfect their hands before filling out the registration card
- lively hotel rooms after each stay for at least 15 minutes
- every hotel room is generally cleaned, and all surfaces such as countertop, faucet, toilet, desk, door handles, switches, air conditioning controllers, TV remote control are disinfected with special disinfectants
- each hotel room has instructions on how to properly wash your hands
- in each room there are safety precautions for washing hands
- housekeeping employees are equipped with helmets and disposable gloves. After cleaning the room, the cleaner removes gloves, disinfects his hands and introduces clean things such as towels, bedding in the new room
- after checking out, each room is ozonated
- during longer stays, housekeeping employees clean the rooms 1x on Friday, every day on request they provide clean towels and soaps / shampoos at the door of the room, the rooms are not cleaned every day.
